The Sims 2 Deluxe v1.05 (v1.04.03) Exe (CD-KEY MATCHING) The Sims 2 Deluxe v1.05 (v1.04.03) Exe. This is a version of the game called 1.05. Until version 1.04.04 was available, it was merely a 0.xxxxxx patch. Version 1.04.04 was released with the new extra content. This update never had a version number and is just called: The Sims 2 Deluxe v1.05. This Game was released to thousands of Gamers in 2007! This is the first time i ever translated The Sims 2. I have been playing the game ever since the day i got it for free and have been extremely tired off of thinking of The Sims 2. I finally found the time and effort to translate the game, so please enjoy my work. I hope this will change the thoughts in your mind if you have downloaded this game and have tried to play it, but keep getting a No-CD 570a42141b
